

## Kiefer Arrives in South Africa

The last of the 24 cast and crew arrived here early yesterday. They include Kiefer Marcie, MP, Guy, Annie, and actor Robert Carlyle.

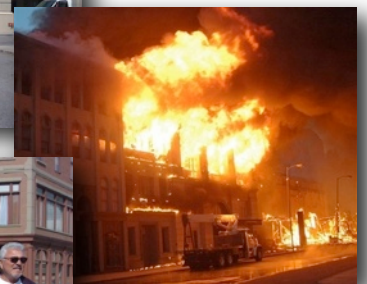

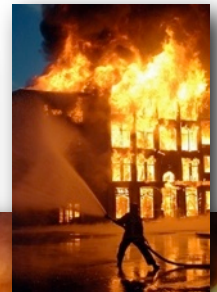

**Moonlighting** is the production company here in Cape Town that are facilitating all our needs. They have proven to be wonderful partners so far.

## Sad Day as Universal Backlot Burns Down

A sad day for film and television history as a good part of the Universal backlot burnt down. Luckily we got to shoot there one last time before it was lost forever. The saddest part is that it will probably never be rebuilt.
